Gathered within these pages are treasured memories of classmates, teachers, activities, and all that has been a part of our school life at New Haven High School.

The publication of this annual has certainly been a challenge to all of the annual staff. Our thanks to everyone who has helped in the making of this annual, especially the advertisers who have contributed to the support of the ROCKET.

# Dedication

The Annual Staff of the 1965 ROCKET would like to dedicate this annual to a man who has given this school eight years of his service. He has not only helped to give our school a name that we truly can be proud of in sports through his coaching, but has done much to develop our minds in social studies. Yes, we owe many thanks to you, Mr. Young, and we are proud to be able to dedicate this annual to a person like you.

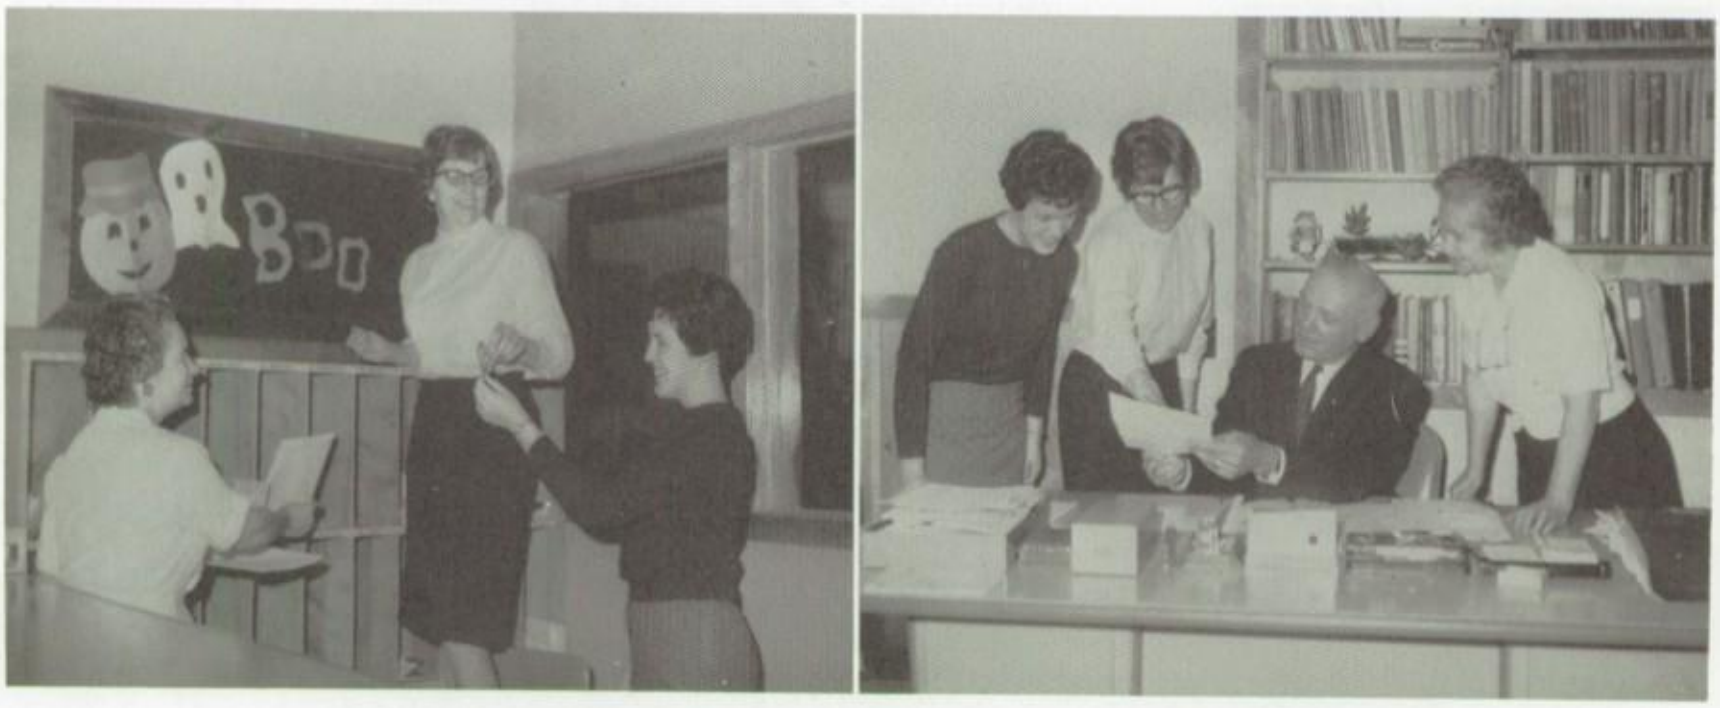
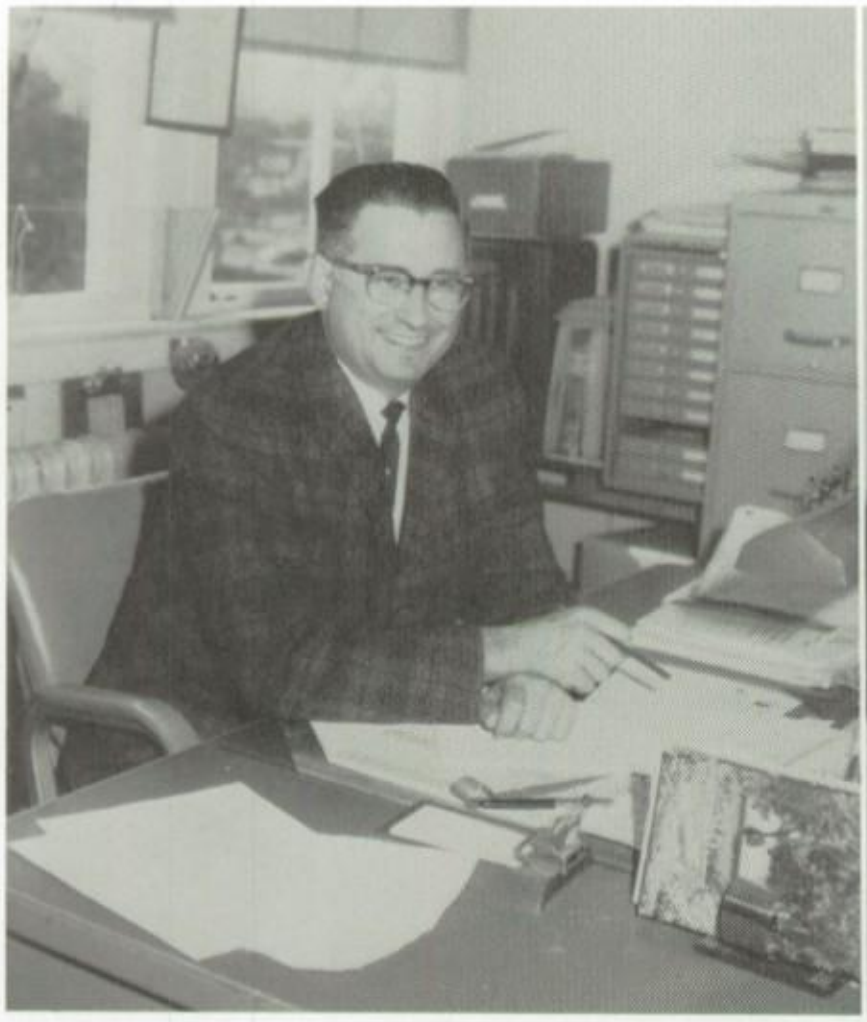
The New Haven Board of Education spends countless hours making decisions that will benefit all the young people in our area. Expanding our school facilities, keeping good school standards, and striving in every way to extend the road of knowledge are just a few of the many goals of the Board of Education.

Parents and students alike can put their minds at ease when they know they have a Board of Education, such as ours, working for them.

Mr. Edward F. Siefert, Superintendent, has been a fine asset to the New Haven High School in his many years of service. His educational skills are shown in his everyday work. Along with Mr. Siefert, considerable appreciation is due his secretaries for all their helpfulness to the student body.



Secretaries Dorthy Hewelt, Donna Gerow, and Charlotte Schutt at work.



MR. CHARLES UHAZIE, our principal, has spent many years working loyally and untiringly to see that the students obtain the very best in education. We sincerely appreciate him for a job well done.

MR. UHAZIE, and his secretary, Mrs. Marvean Miller, work together as a team which is beneficial to all.

MRS. MILLER, Secretary, puts forth her greatest effort to take care of the daily tasks in the office. Mrs. Miller deserves recognition for her unlimited assistance.

New Haven's 1964 track team had another successful season placing 26 points ahead of the next leading scorer, Armada. Old track records fell as New Haven placed first in the Broad Jump, High Jump (both new league records) by Dwight Lee, first in the 880 yard relay set by the team of D. Lee, L. Harris, J. Mack and R. Chennault. Lee and Mack also placed first in the 220 and 440 yard dash respectively.

With many underclassmen from the 1964 team, the prospects of another championship in 1965 are bright.

Also very triumphant last year was the Rocket baseball team. They dominated the diamond as they defeated every opponent behind the fine pitching of Kirk Heinze and the hard hitting of the rest of the club. This is a very young team with only four 1964 seniors on the club and shows promise for another winning season in 1965.

## Sportsmanship

And in the world as in the school,

You know how Fate may turn and shift;

The prize be sometimes to the fool,

The race not always to the swift.

Who misses or who gains the prize,

Go, lose or conquer as you can;

But if you fall or if you rise,

Be each, pray God, a gentleman.

Above you see pictured a group of students who just can't seem to get enough singing done in Glee Club. So they have, with the help of Mr. Eugene Branstrom, formed a group which has big plans for future years. The students were chosen for their ability to sing, blend, and balance among many other things. Things have been a little slow this year as far as public performances because of the conflict in individual schedules and the demand on Mr. Branstrom's time. When the costumes are completed, the male section will be wearing blazers and the female section will be arrayed in versatile over-dresses that can be worn for either formal or informal performances. The group's repertoire already includes a wide range of musical selections. As mentioned before, the group is just getting on its feet and with four of our members being Seniors who will be leaving, there will be room next year for any student who can make the grade, even though it's difficult to do so. So we say farewell to our Senior members and welcome to anyone in the student body who wishes to be part of a lot of work but even more fun. Watch for this group in future days!

Through the Student Council, each class can voice its opinion on school affairs and activities.

Two representatives are chosen from each class. These class representatives are elected by the class they represent. The student body elects the officers from the members of the student body, who have previously been members of the Student Council.

The projects of the Student Council include the scheduling of extra-curricular activities, planning the Homecoming parade and dance, decorating the Christmas tree, and helping the financial needs of classes and clubs.

# LOOKING BACK

The Senior Class of 1965 stands at the end of a hall at New Haven High. It is deserted. We stand looking and thinking of all the wonderful memories which we shared with our friends, and teachers, and the troubles and heartaches of learning.

We remember when we first entered these halls. It was all new, and we were scared. We gradually got used to it and soon it became just another part of our life, and we lived it unaware of how fast the time was passing. Now the end has come, but it just doesn't seem possible.

We turn around and face something much bigger than New Haven High. Now we must make a step, in life, all alone. A step that is much different than entering a mere school building, where we were told every move to make. This step is the biggest step that we must make. We are now on our own, to face a big world. But everyone must take his turn in making this step, and now it is ours. We are as ready as we will ever be.

We turn around and look once more. How will we ever repay the teachers who did so much to educate us? To our advisors, Mrs. Kammer and Mr. Simmons, who brought our class up to what it is now - two people to whom we owe so many thanks, and two people who will never really know how much their time and effort were appreciated? To the administration who has helped make a school from which we can be proud to graduate?

Now, it is all over. We turn and walk out into the big world, and the door closes slowly behind us.

We can always come back to visit - but somehow it will never be the same.

I, Christine Beavnier, will my height and my ability not to speak loudly in a classroom to Susie Mullen.
I, Larry Brogan, will my ability to not get along with Mr. Young to anyone who wants a lot of trouble.
I, Beatrice Broughton, will all the good times I had in Miss Brewer's room to Janet Nelson.
I, Barbara Browning, will my quietness to Connie Causey.
I, Esther Campbell, will all the "X's" that Mr. Siefert puts on my hand at the basketball games to anyone who like to scrub them off.
I, Alfred Cischke, will all my great abilities in shop to Gary Owen who I figured needs them more than anybody.
I, Bonnie Corbitt, will my many skip days to whomever needs the rest, and excitement.
I, David Crawford, will my fish pond to Mr. Young being that he just loves my name.
I, Richard Crawford, will all my nicknames to anyone who can live up to them.
I, Charles Diener, will my '53 Chevy hardtop to Ford Lover, Danny Geier.
I, Shirley Dubay, will all my old boyfriends (from the base) to my best friend, Sharon Phillips; also my smile to get them.
I, Donna Duffey, will to all girls who are taking a business course my worn-out fingers.
I, Clifford Duncan, will my ability and luck to make the football and basketball team to Lynn Ryan because he'll need some kind of help.
I, George Fordyce, will my thinking ability to anyone who needs it.
I, Eric Foss, will my position on the football team to Bob Bultynck.
I, Carmel Gonzales, will all my make-up to Evie Harms, and my tired fingers to all the Junior girls who are planning on Shorthand II.
I, Rodger Granger, leave to my sister Carol what's left of this High School when I get through with it. I additionally leave to Steve Miller my singing ability and good voice.
I, Lamont Harris, will my ability to Red Mills to make J.V. or Varsity this year. If he stops growing so fast.
I, Anna Hernandez, leave my talking ability in 4th hour study hall to Bob Bultnyck.
I, Betty Hurst, will my laugh to Amelia Lee, and my telephone calls to Pat Carter.
I, Leon Ivery, leave New Haven High School the best in the future.
I, Karen Jankowsky, will my ability to get bad marks to my sister, Lois.
I, Jim Johnson, will my algebraic ability to Gordon Tatro.
I, Michele Kachilo, will my ineligibility to my cheerleading sister, Nancy.
I, Cheryl Kark, will my aches and pains from cheerleading camp to the future cheerleaders.

2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
